

Shipping Information & Prices

How We Ship

We use Royal Mail for most orders. When an auction ends, you will be sent an invoice including shipping, assuming shipping is required (i.e. you are not collecting locally). Our standard service is Royal Mail Tracked 48. If you require faster shipping (Tracked 24 or Special Delivery), please let us know before paying and we will amend the invoice. In some cases, Special Delivery may be selected automatically for insurance purposes. You may also request this service.

Packing & Handling Charges

- £2.00 per order – covers labour and packing materials
- £0.30 per additional item if multiple items can be packed safely into one box
